ADVISORY FOR SENIOR CITIZENS WHO ARE MOBILE

Do's	Don'ts
• Stay within the house all the time • Avoid having visitors at home • If meeting is essential, maintain a distance of 1 meter • If living alone, one can consider depending on healthy neighbours for acquiring essentials for home • Avoid small and large gatherings at all cost • Remain actively mobile within the house • Consider doing light exercise and yoga at home • Maintain hygiene by washing hands. Especially before having meals and after using the washroom. This can be done by washing hands with soap and water for at least 20 seconds • Clean frequently touched objects such as spectacles • Sneeze and cough into tissue paper/handkerchief. After coughing or sneezing dispose of the tissue paper in a closed bin/wash your handkerchief and hands • Ensure proper nutrition through home cooked fresh hot meals, hydrate frequently and take fresh juices to boost immunity • Take your daily prescribed medicines regularly. • Monitor your health. If you develop fever, cough and/or breathing difficulty or any other health issue, immediately contact nearest health care facility and follow the medical advice • Talk to your family members (not staying with you), relatives, friends via call or video conferencing, take help from family members if needed	• Come in close contact with someone who is displaying symptoms of corona virus disease (fever/cough/breathing difficulty). • Shake hands or hug your friends and near ones • Go to crowded places like parks, markets and religious places • Cough or sneeze into your bare hands • Touch your eyes, face and nose self-medicate • Go to hospital for routine checkup or follow up. As far as possible make tele-consultation with your healthcare provider • Invite family members and friends at home

Due to Summer, avoid dehydration. Consume an adequate amount of water.

Caution for individuals with pre-existing Heart and Kidney disease

ADVISORY FOR CAREGIVERS OF DEPENDENT SENIOR CITIZENS

Do's	Don'ts
• Wash your hands before helping the older individual • Cover nose and mouth adequately using a tissue or cloth while attending on the senior citizen • Clean the surfaces which are frequently used. These include a walking cane, walker, wheel-chair, bedpan etc • Assist the older individual and help her/him in washing hands • Ensure proper food and water intake by senior citizens • Monitor his/her health	• Go near senior citizens if suffering from fever/cough/breathing difficulty • Keep senior citizens completely bed-bound • Touch the Senior Citizen without washing hands

Contact help-line if the older adult has the following symptoms: o Fever, with or without body ache o New-onset, continuous cough, shortness of breath o Unusually poor appetite, inability to feed

ADVISORY FOR SENIOR CITIZENS ON MENTAL WELL-BEING

Do's	Don'ts
• Communicate with relatives at home • Communicate with neighbours, provided social distancing is followed, and gathering of people is avoided • Provide a peaceful environment • Rediscover old hobbies like painting, listening to music, reading • Make sure to access and believe only the most reliable sources of information • Avoid tobacco, alcohol and other drugs to avoid loneliness or boredom • If you have an already existing mental illness, call helpline (08046110007)	• Isolate yourself • Confine oneself in a room • Follow any sensational news or social media posts. • Spread or share any unverified news or information further

Contact helpline in case of

- Change in mental status, such as excessively drowsy during the day, not responding, speaking inappropriately
- New onset of inability to recognise relative which he/she could do before
